

EXAMPLE MISSION/VISION STATEMENTS & RESOLUTIONS

RESTORE Advisory Committee

SOURCE	STATEMENT	
RESTORE ESCAMBIA	Mission	Vision
	Support a process to solicit and evaluate project proposals under the provisions of the RESTORE Act that benefit all Escambia County Residents	Build an ark of resilience, sustainability and quality of life that carries into the future every person and every living creature, reflecting the rich diversity of our community and our natural environment
National Wildlife Federation	Resolution: Beautiful Beaches & Bays	
	Restoring our environment restores our economy	We commit to making the protection and restoration of our precious natural resources in the Florida Gulf Coast region a critical priority for the county's use of RESTORE Act funds.
Collier County	Mission	
	Collier County's greatest needs that fit into the RESTORE Goals and Authorized Uses include those that address environmental goals such as restoration and conservation of habitats, improvement of water quality and the protection of living and coastal marine resources
